### **THE PROGRAM**

While the venues and audiences may change, every session shares 3 core elements:

#### **THE PRESENTERS**

Companies are selected through an application process or by referral from our partners and affiliates. Guidelines and prep calls are provided.

#### **THE PITCH**

Companies deliver a 3-minute pitch, including a specific "ask" addressing a challenge or a unique opportunity.

#### **THE AUDIENCE**

Solutions, connections and strategies are crowd sourced from the audience. All are provided a means to stay in touch digitally after the session.

*The measure of our success is in the **results**.*
